**SCOPE AND CONTENT NOTE:**

The Ledger collection was created to aggregate oversized and orphan business journals, ledgers and registers. The items in the collection came from multiple donors. The materials are generally in fair condition, however, most covers were removed due to water, insect and mold damage. Pages with mold damage were photocopied and then removed from the collection.

The collection has four series, organized alphabetically and chronologically within: **Series I: Agua Caliente – Modesti Hotels** Registers; **Series II: Sanguinetti** Business Ledgers; **Series III: Miscellaneous** Ledgers. **Series IV: Sanguinetti** Business Ledgers (additions)

**Note: Series IV** was added in December 2014. The series contains newly discovered Sanguinetti business ledgers. The ledgers in this series are not boxed, but are wrapped in paper and tied with string. Due to the size of the ledgers, some items will not be in chronological or alphabetical order.
