## Children Programs:

### Toddler Story time:

Children ages two to Four can listen to short stories, music, and more every Wednesday at 10:30 AM. Caregiver participation is encouraged. Seating is limited.

### Baby Time:

Infants from birth to 18 months can enjoy songs, movement activities and rhymes.

## Adult Programs:

### Digital Media Assistance:

Come in with your device and any questions you have about using the library district's eMedia resources.

### Foothills Library Book Club:

Foothills Library Book Club meets every 2nd Saturday of the month for a book discussion. This month's book we are discussing "Ordinary Grace: a novel" by William Kent Krueger

### Share the Journey Poetry Circle:

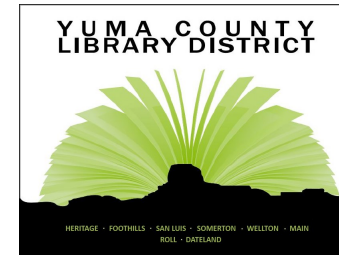

Create a poem using three selected words and share it with the group. You may also share your own poetry or just poem that you like. The three selected words for this month are: Hope Gratitude and Courage.

**Just a Theory:** Come enjoy our History of Science series exploring the characters, ideas, and events that all contribute to the search for knowledge we call Science! This month's topic: The battle between Newton and Leibniz over who invented calculus (no math required)

## Family Programs:

### Stargazing:

Join us Thursday, September 23rd, at 7:30 p.m. In the Foothills Library in east parking lot for an evening of star-gazing. Learn about various planets, stars, and more! Telescopes will be available courtesy of the Friends of the Foothills Library and Volunteers.

## September is National Library Card Sign-up Month!

What do you need to receive a library card in Yuma?
