Programs for Children and Families:

Bilingual Story Time/Tiempo de cuentos bilingüe: Songs and stories in both English and Spanish will be presented at this multilingual and multicultural story time for kids ages 6 and under. Seating is limited to the first 15 people with tickets. Tickets can be claimed on a first-come, first-served basis at the Youth Services desk starting one hour before the program. Vengan a compartir canciones y cuentos en ingles y español en nuestro tiempo de cuentos bilingüe para niños y niñas menores de 6 años. Cupo limitado: 15 personas con boleto. Los boletos se pueden conseguir una hora antes del evento.

Story Time: Come listen to a story, sing, dance, play, and learn with us at our weekly story times. This program is best for families with children under age 5, but is open to all. Seating is limited to the first 15 people with tickets. Tickets can be claimed on a first-come, first-served basis Monday mornings at the Youth Services desk beginning at 9AM. Due to the popularity of our regularly scheduled story times, we typically cannot accommodate large school groups. Please call Elia at 928-373-6468 to discuss alternative options for your larger group.

Evening Story Time: Not able to make it to our story times in the morning? No problem! Evening story time is for families with kids of all ages (though it's best for kids ages 2-6) who want to enjoy stories, songs and fun activities, but prefer to attend programs later in the day. Capacity will be limited, so stop by the Youth Services desk after 5PM to claim your ticket.

Barks and Books: Children ages 6 -12 are invited to sign up to read to one of our friendly guide dogs, Bella and Ricky. Reading to dogs has been shown to help improve emerging reading skills and make children more confident readers. Slots are limited, so sign up for your spot at the Youth Services desk starting at 9AM the day of the program.

Constellation Canvases: Kids ages 8-12 are invited to come create a cool light-up canvas featuring a constellation of their choice. All materials will be provided on a first-come, first-served basis while they last. Space is limited, so get here early!

Math Fluency With Cards: Did you know you can learn all kinds of cool math skills using just a deck of ordinary playing cards? Miss Frances will teach you how in this fun program, and you get to take a deck of cards home with you courtesy of our friends at the Quechan Tribe, Paradise Casino and the Q! (This program is recommended for ages 6-9.)

Nebula in a bottle: What is a nebula and how is it created? Come and learn all about them at this special program for kids ages 8-12. Then make a cool nebula-inspired craft to take home. Supplies will be provided on first-come, first-served basis while they last, and are limited to the first 15 kids.

Lego Club: Make new friends and build as far as your imagination will allow at our after school architecture-based Lego program. This program is for kids ages 8-12 and their caregivers aged 16 and older.

Artists Club: Each month, Jennichelle will teach kids ages 8-12 about a different famous artist and their contribution to the world. Then, kids will get to paint in the style of the featured artist and take home their beautiful artwork! Space is limited so get there early! This month's featured artist is Yayoi Kusama, famous for her love of dots and eccentric style!

Programs for Teens:

I'm Still Here: This documentary uses diary entries of youth who lived during the Holocaust and powerful images to teach a new generation about the pain of the past and hope for the future. Appropriate for ages 11 and older. After the film, join us for a tour of the exhibit.

Board Games Club: Teens, come learn to play a new tabletop game, learn some fun facts and history about each game and make friends at our new Board Game Club. Each week, we will feature a new game. It's ok if you have never played them, we will teach you how! Open to teens ages 13-18 only please.

K-Pop Breakdown: Did you know it takes just 15 minutes to learn enough Korean Hangul to read the lyrics to your favorite K-Pop songs? Samantha will show you how easy it is to break down Korean and learn to sing your favorite songs, and why the language changes so quickly! Open to ages 13-18 only please.

Please note, the library will be closed on December 25th for Christmas and on January 1st for New Year's Day.
